**EDIFICE**  
Speed & Intelligence

## Speed & Intelligence

Providing dynamic, intelligent support

for men who set the pace ahead of the pack.

A sporty, high-performance metal analogue watch that continues to evolve  
through a fusion of dynamic design with advanced technologies.

This is EDIFICE.

A watch with new potential for maintaining the lead in challenging times.

Scuderia Toro Rosso | CASIO EDIFICE  
OFFICIAL PARTNER

Casio supports the Scuderia Toro Rosso as an Official Partner. Through this partnership with its shared characteristics, including youthful dynamism, innovative zeal poured into machines and a passionate pursuit of speed, we will take up new battles together in the 2016 season.

# DUAL DIAL WORLD TIME

— 2-city simultaneous time display —

**World map dial design**  
A world map laid out across the dial accentuates the built-in World Time function. The ETD-300's sophisticated 3D modelling is a product of YAMAGATA CASIO's proud, leading-edge micro-processing technologies.

**Inset World Time dial**  
An inset dial at 12 o'clock displays World Time city times in a 12-hour format.

**Inset alarm dial**  
The alarm time setting is displayed on an inset dial at 6 o'clock.

### Dual Dial World Time

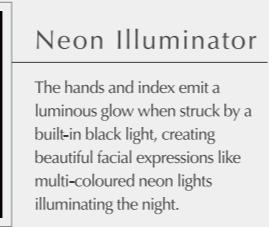

2-city simultaneous time display

Home Time is displayed on the main dial and World Time on an inset dial.

### Twin Sensor

Timepiece equipped with both a direction measurement function that indicates north with the second hand and a temperature measurement function.

### Neon Illuminator

The hands and index emit a luminous glow when struck by a built-in black light, creating beautiful facial expressions like multi-coloured neon lights illuminating the night.

### Super Illuminator

Brilliant light from a high-luminosity LED affords dramatically improved visibility in the dark.
